

# **All Praise to God**

*by Phil Carver*

All praise to God! Our voices sing  
together in this place.  
We thank you, God, for all you bring  
through Jesus' love and grace.

In Jesus' life and death we know  
our lives are freed from sin.  
We are reborn with hearts that show  
the peace we feel within.

God's spirit brings good news to all:  
oppression's weight will yield,  
as captives see their prisons fall,  
and broken hearts are healed.

O God, now help us spread the word  
about your saving care,  
until your news of hope is heard  
by people everywhere.
