

Come as a Child

by Phil Carver

Come as a child.
Come as a child today.
Come as a child.
The Spirit shows us the way.

Faith like a child releases us from fear.
Faith like a child invites our Savior near.

Come as a child.
Come as a child today.
Come as a child.
The Spirit shows us the way.

Hope like a child relieves us from despair.
Hope like a child directs our journey's prayer.

Come as a child.
Come as a child today.
Come as a child.
The Spirit shows us the way.

Love like a child delivers us from hate.
Love like a child fills up an empty plate.

Come as a child.
Come as a child today.
Come as a child.
The Spirit shows us the way.
