

God Is in You and Me

by Phil Carver

God is in you and me,
moving our hearts to be
open to know
of grace that will grow
for all the world to see.

Grace is for everyone,
guiding the good we've done.
God's grace is there,
before we're aware
our faith life has begun.

May grace from God provide
a joy we cannot hide.
We shine God's light around the world
and set aside our pride.

May we be bold to share
God's mercy everywhere,
in all our hearts, in all our deeds;
our living shows God's care.

God is in you and me.
God is in you and me.
