

# Glimmers of Hope

by Phil Carver

*in celebration of the ministries of the  
Iowa Annual Conference of The United Methodist Church*

**Bbmaj9**            **F**  
Glimmers of hope,  
                         **Gm11**                            **C7**  
glimpses of Jesus' grace,  
                         **Am7**            **Csus4**                            **F**  
sharing the love of God in every place.

**G**                    **C**                            **G**  
Let us be light to the world,  
**C**                            **G**                            **D**  
shining for justice and peace.  
**Am**                            **Am/G**                            **F**                            **C**  
Where there is pain, let us bring relief.  
                                 **G**                            **Csus4**                            **C7**  
And let our care ever increase.
