

Glimmers of Hope

by Phil Carver

*in celebration of the ministries of the
Iowa Annual Conference of The United Methodist Church*

Glimmers of hope,
glimpses of Jesus' grace,
sharing the love of God in every place.

Let us be light to the world,
shining for justice and peace.
Where there is pain, let us bring relief.
And let our care ever increase.

Glimmers of hope,
glimpses of Jesus' grace,
sharing the love of God in every place.
