

Jesus, Be Our Peace

by Phil Carver

We are no longer strangers,
for God has shown us the living way.
By grace we know salvation,
and now through Jesus we know the faith.
So let us walk your path, O God of Light,
help us to face wrongs and make them right,
and may wholeness be ours to share.
This is our prayer.

In Christ we were created,
and gifts from God richly bless us all.
As we were made for good works,
may we lead lives worthy of your call.
With all humility and gentleness,
we care for others with love and patience.
May your Spirit bring unity
and perfect peace.

Jesus, be our peace.
Jesus, be our peace.
Make us your new creation.
Jesus, be our peace.
