

Let Us Build on the Work God Has Done

"For we are God's servants, working together." — 1 Corinthians 3:9
for First United Methodist Church, Centerville, Iowa

by Philip H. Carver

Let us build on the work God has done,
who has faithfully met our needs;
and as we have received from what others have begun,
now we give of ourselves as the Spirit leads.

So we gather to worship our God
and remember the bond we share
in the beauty and strength of the sanctuary here,
in the faith and the hope and the love we bear.

We are servants of God to our world.
We are called from this wondrous place
to be signs of the gospel to everyone we meet.
We are living expressions of Jesus' grace.

Let us build on the work God has done,
who has faithfully met our needs;
and as we have received from what others have begun,
now we give of ourselves as the Spirit leads.
