by Phil Carver

**F**            **C**            **F**            **C**  
We are Christ            to the world,  
**F**            **C**            **Bb2**            **Bb**    **Csus4**    **C7**  
loving strangers as friends,  
**F**            **C**            **F**            **C**  
seeking good, sharing pain,  
**F**            **C**            **Bb2**            **Bb**    **Csus4**    **C7**  
always making amends.

## Refrain:

**F**                            **C**            **Am**    **Dm**  
Refresh your heart in Christ,  
                          **Gm7**            **Bb/C**    **F**  
whose living water        flows  
                          **C**            **Am**    **Dm**  
to bring us all new life;  
                          **Gm7**            **Bb/C**    **C7**    **F**  
and in our good works    it        shows.

**F**            **C**            **F**            **C**  
We are salt            of the earth,  
**F**            **C**            **Bb2**            **Bb**    **Csus4**    **C7**  
bringing flavor to life.  
**F**            **C**            **F**            **C**  
We are light            of the world,  
**F**            **C**            **Bb2**            **Bb**    **Csus4**    **C7**  
shining hope into strife.
