

Refresh Your Heart in Christ

by Phil Carver

We are Christ to the world,
loving strangers as friends,
seeking good, sharing pain,
always making amends.

Refrain:

Refresh your heart in Christ,
whose living water flows
to bring us all new life;
and in our good works it shows.

Refresh your heart in Christ,
whose living water flows
to bring us all new life;
and in our good works it shows.

We are salt of the earth,
bringing flavor to life.
We are light of the world,
shining hope into strife.
