

Sing Praise to God with Every Breath

by Phil Carver

Sing praise to God with every breath.
Our Maker conquers life and death.
We go wherever God may lead.
We trust in God at every hour.
No human ruler has the power
to help us in a time of need.

Praise God, our hope and happiness,
who gives relief in times of stress,
who made the earth and sky and sea,
who breaks oppressive walls we build,
who sees that hungry mouths are filled,
who gives the prisoner liberty.

God reigns forever with justice and power.
God reigns forever with justice and power.
