

We Have Grace

by Phil Carver

Refrain:

We have grace, God's grace,
sufficient for every need.
We have grace, God's grace.
By grace the Spirit will lead.
We have grace, God's grace.
We offer our thanks and praise
for God has given us grace.

Grace is godly care,
Free for all and free in all.
Grace is simply there,
even before we are aware.

REFRAIN

Grace is Christ made know.
Conscious faith's a gift of grace.
Jesus love has shown
we are all saved by faith alone.

REFRAIN

Grace is in our lives,
holiness and righteousness,
giving that revives
hope for a world where goodness thrives.
